

# 100 ways and opportunities to kill

- 1) When Gwen's peering over the parapet of the multi-story car park in ep 1 - Janet (the weevil) comes up from behind and pushes her over the edge and she lands in a bloody mess on the pavement below, but none of the TW crew notices.
- 2) Get Gwen to resurrect Suzie again, and this time let Suzie finish the damned job properly !!!
- 3) Owen 'accidentally' cuts a major artery when removing the shot pellets from Gwen in 'Countrycide'
- 4) Eugene - being a ghost and therefore non-corporeal, fails to shove Gwen out of the path of the on-coming vehicle in 'Random Shoes'
- 5) PC Andy is so pissed off that Gwen left him standing on the dock holding the teas in 'Adrift' that he magics a mortar gun from somewhere and blasts the boat out of the water.
- 6) In 'Adrift' The boat forgets to come back to the island for Gwen and she tries to swim back but because she always has her gob hanging open she swallows polluted Bristol Channel water and dies horribly of pollution poisoning.
- 7) Gwen's head explodes from a surfeit of google eyes when she walks in on Jack and Ianto shagging in 'Adrift'
- 8) Ianto gets sick of Gwen casting 'doe eyes' at Jack so he 'accidentally' squirts *Myfanwy* favourite BBQ sauce all over Gwen's clothes and 'accidentally' sets the hub lockdown when Gwen's on her own there.
- 9) Gwen gets overexcited 'cos she can't decide whom to google – Jack, Owen or Rhys and suffers a brain melt down from doe-overload
- 10) Tosh tinkers on Gwens keyboard and when she is using it (which is admittedly seldom) Gwen gets a deadly electric shock for shagging Owen
- 11) In the episode 'Meat' they save the meat and use Gwen instead. (Em)
- 12) Well this whole thing could have been 'bitten' right in the ass at the start. The Weevil eats her in the hallway Capt. Jack finds her with No head, she can't be revived because she has no mouth to speak (Em)
- 13) When Gwen states that she will leave at the end of 'Meat', Jack just lets her go with a 'and, so, therefore'-expression.

- 14) Dalek breaks time dilation field & runs over her whining face then reverses ...repeat process till she's a sticky goo. (Karen)
- 15) Ianto forgot to put the replacement paving stone in place when she comes to use the Perception Filter elevator. (Delta)
- 16) Arrange for the container Cap'n John hid her in to be loaded on a ship bound for Alaska before the rest of the team locate her
- 17) Ianto presents her with a natty scarf to make her outfits look more stylish, but oops, it gets caught in the door of the SUV as he speeds away after dropping her at her house, and, oh dear, she gets throttled.
- 18) The Tardis materialises right on top of her when it stops by for refuelling at the rift.
- 19) Rhys can't stand her googling Jack any longer and poisons the evening meal.
- 20) It's Gwen who dies on day 4 of CoE, because as usual she shoves Ianto aside and follows Jack to speak with the 456 aliens
- 21) We substitute the Weevils in the Weevil hunt game with annoying Gwen, so that Ianto can shot her, the heart of Torchwood \*caugh\*
- 22) The time lock in 'Stolen Earth' only works for Ianto, because when Tosh set it up Gwen wasn't there, so she did not get the 'protected property of Torchwood' signal
- 23) RTD develops such a strong love for his female main character and heart of Torchwood, namely Gwen, that she combusts into 1000 teeny flamy pieces
- 24) The Daleks do one good thing for once and justify there existence by EXTERMINATING Gwen Fucking Cooper
- 25) After forgetting Rhys thanks to Adam in the episode 'Adam', he is so pissed off that he finally shots her
- 26) The unstable Gray does not shot Toshiko Sato, but Gwen Cooper, because he thinks he can actually get back on Jack with this
- 27) *Myfanwy* can't stand to see Ianto suffering from Gwen shoving him out of the way and eats her for Friday lunch
- 28) Lisa/Cyberwoman breaks her neck
- 29) When Gwen is thrown on the cyber conversion unit the device works proper (as in faster) and turns her into Cyberwoman 2, who will be shot by Jack, Owen, Tosh and Ianto
- 30) Gwen can't hold back with her curiosity in 'Dead Line' and picks up the phone, falls into the deep trance and because no one is bothering to bring her back she stays in this way for ever after

**31) Jack has to place her into the loony bin after the trauma of her own wedding, seeing Jack and Ianto dancing together and there she commit suicide**

**32) The Duchess shots her while actually aiming for Jack in 'Golden Age'**

**33) When Reverent Haywood knocks Gwen down in "The Sin Eaters" he does a throughout job and she never gets up again**

**34) And even if he'd not knocked her to death, she could just die a chapter later, when she's put in the tomb**

**35) Ianto has not only find out about the special extras in the SUV, but also those in the Hub and activates the secret defence laser to get rid of Gwen**

**36) After Gwen complaining about the fact that Ianto has not yet replaced the warning lights around the cog door, because he is too preoccupied with Jack, he does replace them with a fancy deadly acid that is activated when Gwen enters the Hub through the cog door**

**37) Ianto calls Gwen down to the archive, to get her all-expert opinion on some alien doohikey, but since only Ianto Jones knows his way around the archive and the comms do not work there, Gwen gets lost and dies from hunger**

**38) While performing another autopsy Gwen inflicts herself with a deadly cuts and bleeds out.**
